

# 「以人為本，言出必行」

## — 仁政是管治之王道

「臨」是治理，揭示在上者對在下者的管治之道。生活中，無論是家庭或工作，總有機會成為領袖的角色。想要成為出色的領袖，絕對不能單靠勢位與權術。用手段令群眾震攝與畏懼的領袖，必定不能得人心，最終只會眾叛親離。相反，以人為本，以身作則，言行一致的領袖，自然會深得人心。如能以親民的作風，誠心教導與保護群眾，必定會受到景仰與愛戴。

## “People oriented, fulfil as promised”

— *Benevolence is the supreme way of governance*

“**Approach**” refers to governance, revealing the way of governing of those from upper to lower strata. In life, whether it is in work or family matters, there is always a chance we are required to be in a leading role. To become an outstanding leader, one must not rely solely on position and power. Leaders who use methods to intimidate and distress the masses are bound to be unpopular, and eventually being alienated. On the contrary, a leader who puts his people first, leads by example, and fulfils by his or her words and deeds will naturally win the hearts of the people. If one can sincerely advise and protect people, he or she will surely be respected and loved.
