「薈萃聚集，德才兼備」

一 裝備自己才有薈聚之緣

「萃」是聚集與薈萃，象徵匯薈賢才的條件與時機。古往今來，有資格薈聚賢才的，必定是德高望重或位高權重的大人物。能夠受到大人物賞識，甚至重用的，必須具備賢才的條件。無論是要成為別人的伯樂，或是要遇上人生中的伯樂，便必定要先好好裝備自己，德才兼備。否則，即使薈聚了遇上了，也只會是一場誤會。

"A Gathering of People, Virtues and Talents"

– *Equip oneself to amass opportunities*

"**Gathering together**" refers to assembly and accumulation. It symbolises the conditions and opportunities for gathering of talented people. Throughout the ages, those who are qualified to gather wise and talented people must be highly respected or powerful figures. Those who are appreciated, or even engaged by the great must have respectable qualifications. If we want to be a benefactor to others or meeting our own benefactor, we must first equip ourselves with both virtues and talents. Otherwise, it would only be a mismatch with disappointment even when we get to meet.
