「少女出嫁，婚姻之道」

一 尊重守信能建立長久關係

「歸妹」是少女出嫁，揭示婚姻之道，也可藉以反思人與人的關係。婚姻的基礎，理應是兩情的相悅，彼此的盟誓。然而「歸妹」論述的婚姻，卻是建基於當下的感覺與利益的考慮。這樣，嫁娶雖可為雙方帶來短暫的利益，卻難以維繫長久的關係。明白此弊端的人，便應該以關愛尊重與堅守信約的婚姻原則，才能天長地久。

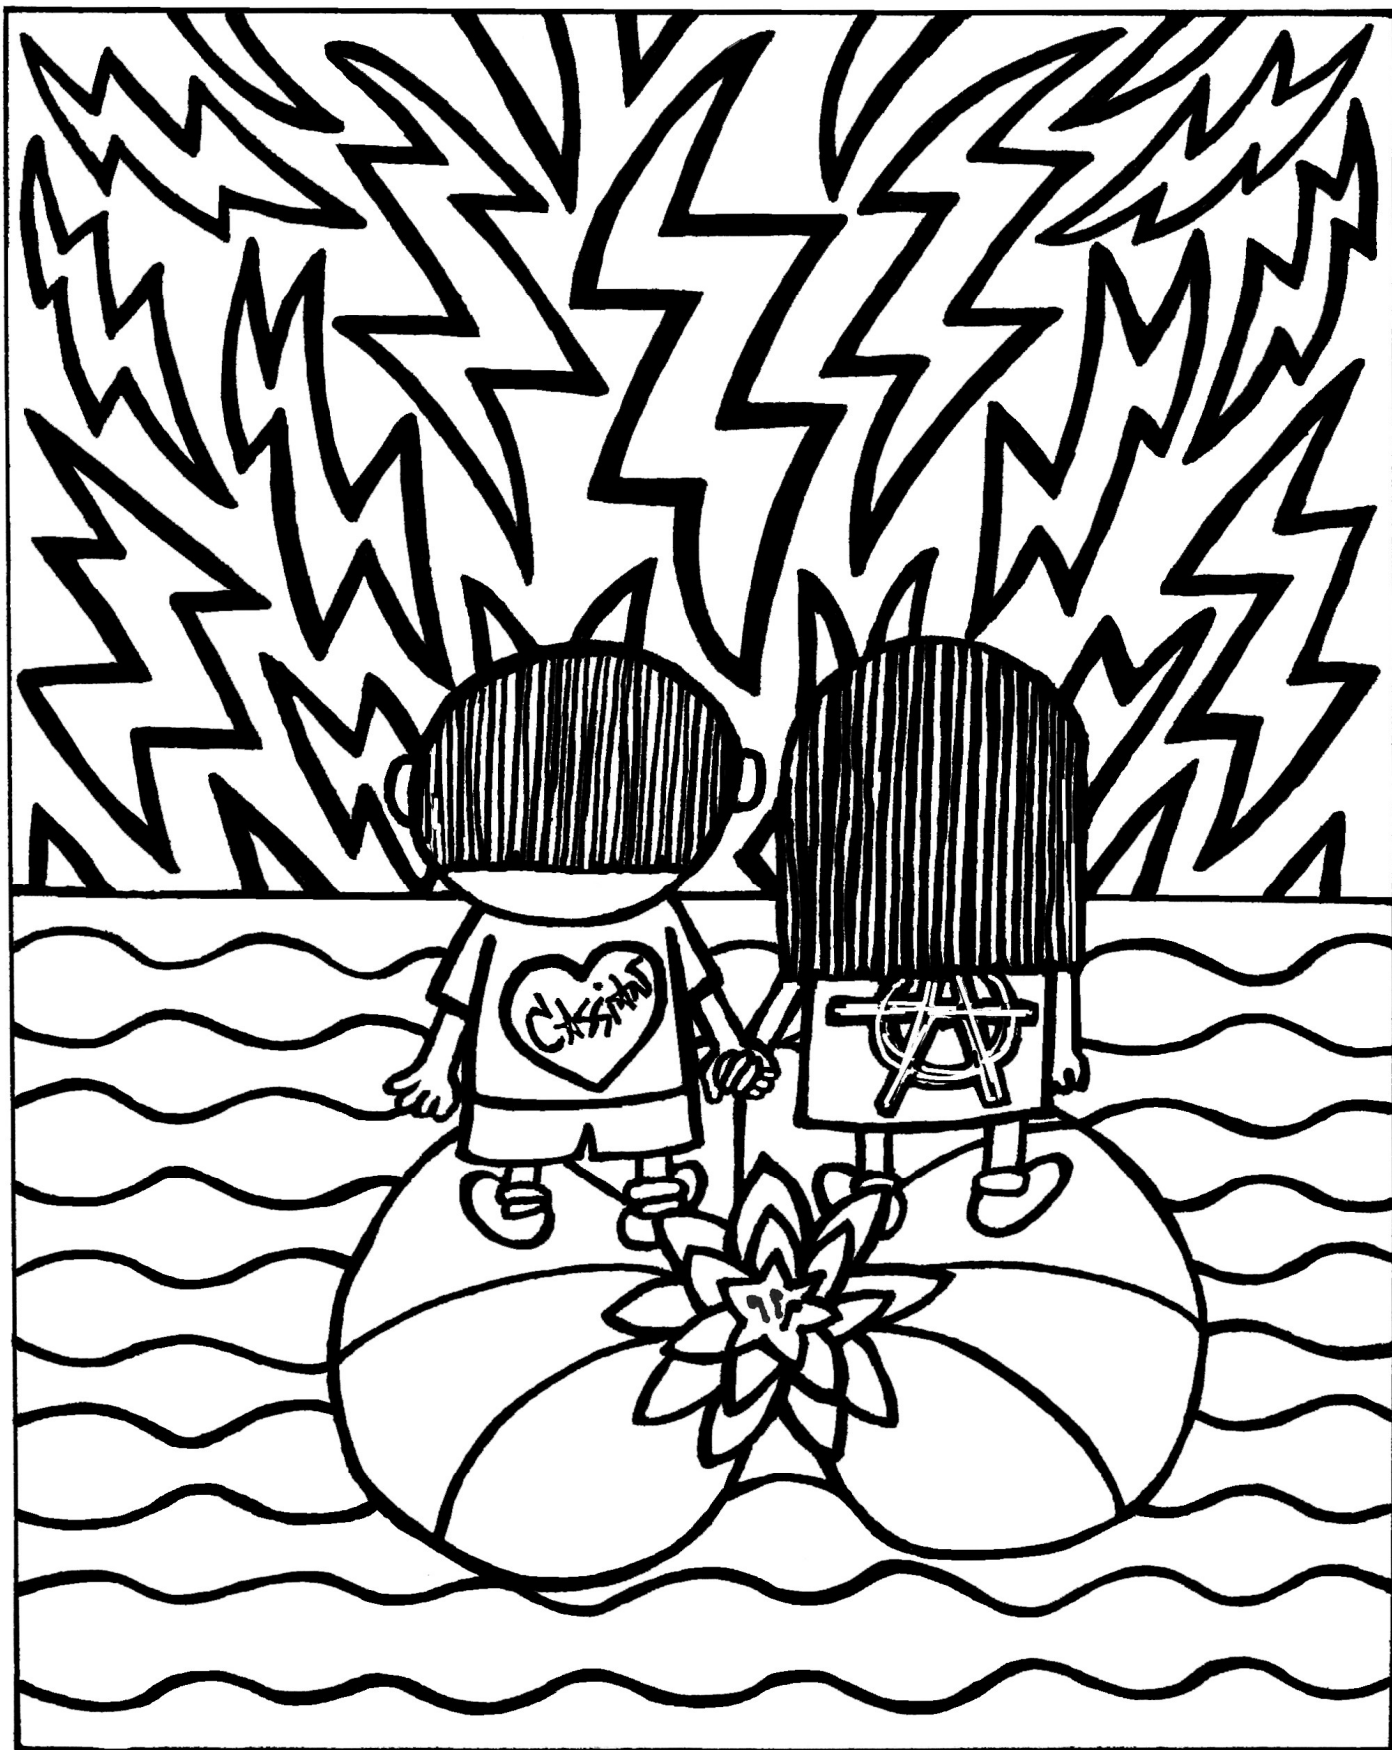

畫作人感想

「歸妹」卦義傳達了一種無常的感覺。我們有時會覺得陷入無法控制的境地。雖然漂浮在平靜的水面上似乎是寧靜的（就像生活中我們覺得一切都安全的時候）；但在一瞬間，一切都在可以改變（如突如其來的雷暴）。當面對現在會動盪之時，人們必須學會接受生活中的這些變化，儘可能地適應。

"The Way of Marriage"

- Respect and Trustworthiness Build long-lasting relationships

"The Marrying Maiden (Engagement)" might literally refer to the marriage of a young girl, however it symbolizes proper conducts are essential in relationships between people. The foundation of any "Engagement" should be based on mutual love and commitment to each other. Hence, the engagement discussed in this hexagram is based on the consideration of present feelings and interests. Although such marriage can bring short-term benefits to both parties, it is difficult to maintain a long-term relationship. For those who understand these drawbacks would acknowledge that only a marriage based on principles of love, respect and faithfulness will it last forever.

Artist reflection

The meaning of the "Engaged" hexagram conveys a sense of impermanence. We sometimes feel trapped in situations beyond our control. While floating in calm water may seem serene (just like in life when we think everything is safe), although everything can change in a split second like an unexpected thunderstorm. When faced with the turbulent of the present, people must learn to accept these changes in their lives and adapt as best they can.

Artist profile

Mr. Cassian Lau is a local POP Art artist and the fashion design director of the brand IJIN.
